## **Transition to College and Careers**

*College Prep/Career Planning  
for Adults*

***Helping you take the next step***

- Focusing on Health Care and Green Careers
- Skill building for college (academics—reading, writing, and math; basic computer skills; study skills and research methods)
- Classes are free!

**Transition to College and Careers** provides an opportunity for students to improve academic and computer skills, increase their career awareness and investigate health care and “green” careers.

**Sept. 9—Dec. 18, 2009**

**Mon., Wed., and Fri. mornings 8:30—11:30a.m.**

**Location: CCV 101 Cherry St., Burlington, VT**
